

PLAN AHEAD

BASC APRIL SIMULATION TRAINING CLASSES and MORE.....

Mark your calendar and REGISTER!

Tuesday, April 6th

Scenario Validation Session

Time 10:00am - 2:00pm

Location: CINHC - 715 Hearst Ave, ste. 203 -Berkeley

Please contact Judy - aa@cinhc.org if you are interested.

Let us know your speciality area. Also, lunch will be provided.

Friday & Saturday, April 9th - 10th

Level 2 Training (intermediate)

Time: 8:00 - 4:30 each day (must attend both days)

Location: San Jose State University

Address and room location - TBD

Cost -\$950 Non-Refundable after April 1st

13 Contact Hours

The class is limited to 15 people.

Pre-requisite: Must have completed the Level 1 training or commensurate experience. Commensurate experience includes a clear understanding of simulation techniques and some experience working in high-fidelity simulation. You must have access to a simulator at your organization. We will allow a maximum of 2 people from each organization and need a balance of hospitals and schools.

If you have any questions regarding this class, contact KT Waxman at kt@cinhc.org.

Wednesday, April 28th

"Working with Standardized Patients"

Time: 9:00-4:00

Instructor: Dr. Susan Prion, USF

Location: TBD (will be held in the Bay Area)

Cost: \$75

4.5 Contact hours

To Register contact Judy - aa@cinhc.org
